SOCIAL SECURITY REP. TO BE IN BETHEL MONDAY, JAN. 31

To Assist Those Eligible for "Medicare" Coverage

A representative of the Lewiston Social Security District Office will be in Bethel on Monday, January 31, to discuss Medicare and to assist local eligible people to file Medicare applications.

Prompted by an inquiry from Postmaster Earlon Palne, the Lewiston social security office, with the cooperation of Town Manager Michael Houlihan, has arranged for a social security representative to be available to the public on that date between 10:30 a. m. and 2:30 p. m. at the Town Office building. All interested persons, especially those age 65 who have not yet signed for Medicare, are urged to visit the social security representative there.

"There are still quite a few people 65 and over that are apparently unaware that they are eligible for Medicare," stated John M. Beale, Social Security District Manager. "Just about everyone, 65 and over, is eligible, including both those who have not filed for social security benefits because they are working and those who never worked under social security at all."

"People already qualified for social security benefits are automatically covered by the hospital insurance part of Medicare, but have a choice as to whether they want the doctor-bill coverage. Cards for registering the choice were sent out to beneficiaries 65 and over last fall. Some still have not returned the cards because they lost them or, not realizing what they were, discarded them. Still others sent them in marked to show one choice and meantime have changed their minds. Our man will have a supply of these cards so that anyone who needs one can fill it out on the spot."

"Where an older person is not able to attend to this for himself, a relative or friend should act for him."

"March 31 is the deadline date, and an application must be filed before that date to have Medicare coverage effective next July 1."

GREATER BETHEL CHAMBER TO MEET TUESDAY, FEB. 1, AT CONGREGATIONAL CHURCH

The West Parish Congregational Church in Bethel, will be the scene of the regular monthly meeting of Greater Bethel Chamber of Commerce Tuesday evening, Feb. 1. Supper will be served at 6:30 by the Women's Fellowship. The business meeting will follow the supper.

The program of the evening will be a discussion of the school situation in SAD #44, with special reference to the high school building schedule. Dexter M. Stowell, chairman of the School District Directors, and other school officials will be present.

The public is invited to attend the program, and its important information discussion of the many facets of the area school situation.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The budget for the coming year has been reviewed by the selectmen. The budget will now be presented to the budget committee and the budget committee will make recommendations for the town meeting. There are a few minor increases in some of the accounts but there are no major new expenditures proposed for this year. The total requests for municipal services will be very nearly the same for 1966 as they were for 1965. There are some increases that can not be controlled such as employer social security payments and workmen's compensation premiums. The small increases should be offset by decreases in other accounts.

The town highway crew did an excellent job on the week end storm. After all the snow that fell Sunday and Sunday night, there was only one road that was not plowed Monday morning and the only family living on that road has indicated that it does not inconvenience them to be plowed out last.

Excise tax payments are ahead of last year. Two hundred and twenty-one excise tax receipts have been issued while one hundred and ninety-one were issued for the same period last year. The excise tax and registration fee must be paid on an automobile before March 1, 1966. If anyone wants to know how much his excise tax will be for this year, he should have the following information. He should have the excise tax receipt number on his 1965 registration or he should have the year of the vehicle and the amount of excise tax he paid in 1965. The excise tax receipt number is the red number on the center bottom of your 1965 registration. With the receipt number we can figure your excise tax in a matter of minutes. Without the number it is nearly impossible to figure an excise tax.

OUTING FOR SNOW TWISTERS SUNDAY, JANUARY 30

There will be an all-day outing Sunday, January 30, for all members of the Bethel Snow Twisters. Snow Kart Club. It is uncertain as to the accommodations for buying lunch so make sure you have some food with you. Club members will meet at Bryant's Market and leave at 9:30 A. M.

EXCELLENT PROGRAM FOR B.A.D.C. MEETING ON FEBRUARY 8

Norman J. Temple, Assistant Manager of the Public and Employee Relations Department of the Central Maine Power Company will be the after-dinner speaker at the annual meeting of the Bethel Area Development Corporation to be held at the Norseman Inn on Tuesday, Feb. 8.

A resident of Gardiner and a graduate of Bates College, Mr. Temple has devoted the past eighteen years to industrial development work in the State of Maine. He was, for several years, with the former Maine Development Commission and assisted in setting up the present Department of Economic Development. Since 1956, he has been with the Central Maine Power Company in various promotional capacities, and has held his present position since January 1965.

In addition to his professional duties, Mr. Temple has been active in Boy Scout work, the Y. M. C. A., and many other community and regional organizations.

It is expected that all who have the pleasure of hearing him at the B.A.D.C. meeting will consider it an extremely worthwhile evening.

ALIENS MUST REPORT ADDRESSES BY JANUARY 31

C. C. Doughty, District Director of the Immigration and Naturalization Service urges all aliens in Maine who have not yet filled out alien address report forms, to do so before January 31 at the nearest Immigration and Naturalization Service office or local Post Office.

The Immigration official pointed out that the law requires all non-citizens, except persons in diplomatic status, foreign representatives to certain international organizations, such as the United Nations, and aliens here temporarily as agricultural contract laborers, to report their addresses to the government each January.

Mr. Doughty added: "The parent or legal guardian of an alien child under 14 years of age must fill out the address report form for such a child in order to comply with the law."

He declared "We have tried to make it as convenient as possible for non-citizens to meet the address report requirements, and, in view of serious penalties for willful violation, all persons subject to the address report law are urged to fulfill this obligation before the end of January."

Mr. Doughty advised "It is easy for an alien to meet this requirement. He just goes to the nearest Immigration and Naturalization Service office or Post Office, fills out the address report form, and returns it to the clerk. Any non-citizen who is ill may send a friend or relative to obtain the card for him, and return it to the clerk after it has been completed by the alien."

The Immigration official said 15,000 aliens in Maine already have filled out address reports. He estimated that 31,000 such reports will be submitted before January 31st.

The Hospital Auxiliary of the Rumford Community Hospital will meet Monday evening at the home of Mrs. Vance Richardson at 8 p. m.

SEEKING BIDS FOR POSTAL BUILDING AT BRYANT POND

The Post Office Department is seeking competition bids for a new building to house its postal operations at Bryant Pond, Postmaster General Lawrence P. O'Brien announced recently.

Under the Department's Lease Construction program a contract will be awarded to the bidder who builds a building suitable to the Department's needs and agrees to construct it according to department specifications and then lease it to the Department for a term of five years with an option to renew the lease for an additional five years.

The Department's capital investment will be limited substantially to postal equipment. The building will remain under ownership, with the owner paying local real estate taxes.

Bidding documents will be available on or about January 27, 1966 and may be obtained from E. F. Hagley, Regional Real Estate Officer, Room 234, Post Office Building, 125 Forest Avenue, P. O. Box 1093, Portland, Maine 04104. The Real Estate Officer will supply bidding forms, specifications, lease provisions and other information. Bids must be submitted to the Real Estate Officer by February 23, 1966.

Sunday dinner guests of Mr. and Mrs. Eugene Buswell were Mrs. Louise Buswell and Richard and Buswell of Buckfield, Mr. and Mrs. Delmar Morgan of Dixfield.

Legislature Enacts Change In Gould Academy Charter

The special session of the 102nd Maine Legislature enacted this week the amendment to Gould's charter expanding the purposes of the Academy to permit instruction in such branches of education as are usually taught in academics, "and in junior colleges, colleges, universities and other institutions of higher learning."

The amendment to the charter further provides for the use of Gould's endowment and such other funds as may from time to time become available "for the additional purposes of granting scholarships and fellowship and making loans to deserving students from the Town of Bethel, from the County of Oxford and from the State of Maine at educational institutions wherever situated; making gifts and grants to or for the use of the State of Maine, any political subdivision thereof, or any School Administrative District thereof,

for exclusively public purposes, no part of the net earnings of which inures to the benefit of any private stockholder or individual, and no substantial part of the activities of which is carrying on propaganda, or otherwise attempting, to influence legislation; and the advancement of education in said town, county and state and doing all acts and things pertaining or incidental thereto."

The sponsor of the bill, Representative E. Louise Lincoln of Bethel, and Headmaster Edmond J. Vachon of Gould Academy, appeared as proponents before the Joint Legislative Committee hearing in Augusta.

This request to the Legislature is unique in that it seeks permission for the Trustees of Gould Academy to expend money from private sources for education in Maine rather than ask an appropriation of the State for the cause outlined.

Fire Chief Inspects Town Elem. Schools

Fire inspection was conducted of all schools in the elementary school system in Bethel on January 19 and 20, 1966. Following is the report of the findings and the recommendations made to take care of those conditions which were found to be hazardous.

Crescent Park School -- This school building is of fire resistant construction and the fire evacuation plan, which is on display, appears to be most adequate for the building.

As mentioned in earlier reports the storage situation is not satisfactory. Changes have been made since the last report but there is still danger in that the wall which has been installed does not go to the ceiling. It is recommended that this wall be continued to the ceiling thereby

closing the supply area off from the boiler room.

In the kitchen there is only one fire extinguisher. It is recommended that another extinguisher (CO2 type) be added for this room and that the employees be instructed in the use of the extinguishers.

As the teachers' room is used as a smoking room it is recommended that a water fire extinguisher be installed in that area.

Ellet Bishbee School -- In the inspection of this building it was found that the situation in the basement part is anything but good. During the lunch hour there are about 40 youngsters seated in the small dining area. These children sit at a table-bench combination and in front of them are kitchen ranges and back of them

UPTON REPORTS GOOD FINANCIAL STANDING

The town of Upton has completed and sent to the printer a report for the annual town report. The town reported the year with a \$429 increase in the cash balance, according to a report from the selectmen's office.

Official expenses for 1965 were \$4,540.49 and the balance in cash was \$10,000.00. Therefore, only a small appropriation for 1966 is recommended for school purposes.

The selectmen for 1966 were better than 1965. Only \$3.00 in uncollected taxes for previous years is listed.

The first part of the report was a picture of Mr. and Mrs. Alvin LaCombe of Upton. They are the first couple to receive and move to Upton to enjoy the climate and recreational advantages. Mr. and Mrs. LaCombe moved to Upton from Lynn, Mass. in June, 1965.

The only progress on the long range road improvement plan was the construction of a short piece of State Road 101 to the hill by the State Road on the Andover Road and going out of the rest of Upton Street with Town Road Improvement Funds. That project was started late in the season and the graveling had to wait until this year. For a while the road was quite muddy. It is anticipated that a lot of construction will be done in 1966. Road work is the main project on the State Road 101 project.

The selectmen, carried on with the Upton Economic Development Commission. It is anticipated that a lot of construction will be done in 1966. Road work is the main project on the State Road 101 project.

During 1965 the selectmen and the town board and snow plow and the snow plow are directed by last town meeting. The money was deposited in the Central Equipment Reserve Fund.

Several volumes of books from the estate of Anne Knapp, a former resident of Upton, were donated to the Upton Public Library.

One of the 34 articles in the town report is for the transfer of funds from the State of Maine Revenue Account for the purpose of creating the town of Upton. The Federal Aid and Water Conservation Act of 1964 under the provisions of the act the State and Federal Government would pay 50% of the cost of establishing a new town and that the town of Upton has been created as of this date for a sample of \$1000.

JUNIOR GIRL REPORTS

The girls met at the Upton Junior High School on Thursday. Mrs. Judy Martin, Mrs. Ruth Smith, and Mrs. Mary Smith led the meeting. The girls group went to Mrs. Martin's home. Your class is doing fine.

— Mrs. C. A. Judkins, Cor. —

The weather has changed since last week. The snow storm which started Sunday and lasted through Monday left about twelve inches of snow and sent the State and Town plows busy both days. Luckily there was no wind to drift the snow. Tuesday morning brings us perfect winter wonderland. Sunshine and 10 above zero.

Mr. and Mrs. C. A. Judkins and E. Oscar Judkins attended the Nazarene Church at Bethel Sunday and then went to the Sunday River Skiway.

Millard Fraser visited Bethel recently.

Mrs. Horace Goodrum visited her children in Berlin, N. H., recently.

Andre Bernier came up from Hanover to help his father in the woods during the week end.

CARD OF THANKS

I wish to thank all my friends and relatives who sent me cards, flowers and gifts during my recent stay at the hospital. Special thanks to my sister and my friends in New Hampshire and Massachusetts.

TERMS OF GRANT TO S.A.D. 44 LISTED IN DAVIDSON LETTER

Last week the Directors of S. A. D. 44 accepted the terms of the grant of \$400,000 by the Bingham Betterment Fund. Presented here is the letter from Dr. Sidney W. Davidson to Dexter Stowell, outlining these terms.

January 12, 1966
Board of Directors
Maine School Administrative District #44
Bethel, Maine
Attention: Mr. Dexter M. Stowell, Chairman

Dear Sirs:

My fellow trustees of the Betterment Fund created by the will of the late William Bingham 2nd, and I were distressed to learn on December 29, 1965, from our counsel Fred C. Scribner, Jr., Esq. and from your Chairman, Mr. Stowell that the Maine School Building Authority cannot at present provide financing for your proposed new school. We are informed that it may take some months before the MSBA will be able to make loans to the School Administrative Districts but that it will seek to obtain the necessary authority.

As you know, we have a deep interest in the improvement of educational standards in the State of Maine. We are most sympathetic to the problems facing Bethel and surrounding towns and to your desire to complete the new Junior-Senior High School at the earliest possible date. We wish to be helpful to you in the development of a school which will effectively meet the needs of the Bethel area and will set a standard for other public secondary schools in Maine which they may reasonably be able to attain.

In order that you may go forward with your planning without delay, the Trustees of the Betterment Fund are prepared to make a commitment to you that funds will be made available by grant to S.A.D. 44 in an amount sufficient to pay the difference between \$2,100,000 (which we understand from you to be the estimated cost of the new school building and its grounds) and the amounts available to S.A.D. 44.

(a) from State of Maine or Federal sources
(b) from local taxation and
(c) from other sources.

but in no event to exceed \$400,000.

The Betterment Fund does not have accumulated income and is not permitted by Treasury Department regulations to make such accumulations. Accordingly, any amounts payable under this commitment will probably be paid in annual or semi-annual installments as payments from you become due for interest on and amortization of the indebtedness incurred by you to cover the cost of the entire school project.

Very truly yours,
Sidney W. Davidson

LEAVITT TROUNCES GOULD IN COURT CONTEST

Unbeaten Leavitt Institute took an early lead and improved on it Tuesday night to crush Gould Academy 75-48 in a Western Maine Conference game at the Farnsworth Field House.

The win was the 12th this season for Leavitt and their eighth in conference play. The loss was the sixth for Gould in nine contests.

Jira Dowe had 23 points, Roy Buck 17 and Larry Hathaway ten for the visitors, who controlled both backboards through most of the contest. George Nickerson had 15 points as the high man for Gould.

CARD OF THANKS

Thank you all for the cards, letters, flowers and visits tendered me during my recent stay at the CMG Hospital. They were very much appreciated.

Carroll M. Curtis

This commitment is subject to the following conditions:

1. The Board of Directors of S.A.D. 44 and the residents of the Towns Involved will approve a curriculum and a construction program which carry out the recommendations of the firm of Engelhardt, Engelhardt & Leggett as set forth in its "Program of Educational Requirements", dated December 1965 as the same may be changed by subsequent recommendations of the firm.

2. The new Junior-Senior High School will be adequate for the Engelhardt program and will be planned and constructed in such a way as to require minimum maintenance and operating expense for the foreseeable future.

3. You will retain upon terms approved by us the firm of Steinmann & Cain, 101 Park Avenue, New York, New York, as consulting architects, and your architect, Messrs. Wadsworth, Boston, Dunick, Mercer & Wetherill will cooperate with the Steinmann firm. We will reimburse you for the charges of the Steinmann firm.

4. You will retain upon terms approved by us the firm of Clarke & Ragnano, Inc. 330 Third Avenue, New York, New York, as landscape architects and your architects will cooperate with the Clarke firm. We will reimburse you for the charges of the Clarke firm.

5. You will make all reasonable efforts to obtain from other sources the maximum funds available for purposes of construction and equipment.

In order that we may know that this commitment is acceptable to you, please sign the enclosed copy of this letter and return it to us when received.

Sincerely yours,
Sidney W. Davidson

POWER COMPANY OFFICIAL NAMED CHAIRMAN OF 1966 HEART FUND DRIVE

Harold F. Schnurle, Vice President of the Central Maine Power Company, has accepted the post of State Chairman of the 1966 Heart Fund Drive, according to Milan A. Chapin, M. D., President of the Maine Heart Association. In announcing the appointment, Dr. Chapin said, "The Association is very fortunate in having the aid of Mr. Schnurle in this extremely vital chairmanship in the fight against heart and circulatory diseases, which are the cause of more than 58% of all

Harold F. Schnurle

deaths in Maine and the nation". Schnurle will head the drive in which 500 town and community chairmen and 20,000 Heart Fund volunteers will participate in February.

Schnurle is Vice President and Manager of Public and Employee Relations of the Central Maine Power Company, with which he has been affiliated for about 20 years. He served two terms in the Maine State Senate and two terms on the Governor's Council.

For many years, Schnurle has been active in the industrial development of the state. He is a Director of the Maine State Chamber of Commerce and served as its president and chairman of the board. For thirty years, he has been a member of the Maine Publicity Bureau, of which he is a former president and now a director. The Bureau elected him as its first full life-time member.

He is a former member, and chairman, of the Maine Development Commission, the original state agency for the industrial and recreational development of Maine. He was also a member of the Advisory Committee of the Department of Economic Development and former State Chairman of the Maine Division of the New England Council and a member of the Electric Council of New England. He is a 35 year member of the Portland Rotary Club, of which he served as a president, and is now an honorary member.

FORMER DEPUTY TO SEEK REPUBLICAN NOMINATION AS OXFORD COUNTY SHERIFF

Edward C. Hibler, West Paris,

has announced his candidacy for nomination for the office of Sheriff of Oxford County on the Republican Primary ballot.

Mr. Hibler was born in Sayre, Pa., July 23, 1911. At an early age he moved to Johnson City, N. Y., where he received his education in the public schools of

that city. In 1941 he moved to Kittery where he worked in the Portsmouth Navy Yard as lead-

ingman gas welder for five years. He resigned in 1946 and in June

of that year he became a resident of West Paris. He was co-

owner of a garage until October 1964. He is now employed by

Penley Brothers in West Paris. "Ed" as he is widely known,

worked as deputy sheriff for 14 years under the former sheriffs, Clark Hunt, James Lassiter and Stephen Conant. During these

years he performed all duties connected with the sheriff's department both in the office and

outside law enforcement. He gained valuable court experience during these years serving in every capacity as Superior Court

officer without being absent from any term. He also served as the only court officer on motion days of the Superior Court of Oxford

County. Ed completed a course of instruction in law enforcement under former Sheriff Conant. He completed two F. B. I. instructed

schools and a course in prison operation from the Federal Bureau of Prisons. He is experienced in investigating crimes from misdemeanors to murder.

Mr. Hibler married the former Mary V. Chestnut thirty years ago and they are parents of three daughters: Mrs. Virginia Chamberlain and Mrs. Georgia Hull, both of Great Bend, Pa., and Jean Hibler of West Paris. Mr. and Mrs. Hibler are interested and active in civic affairs and are members of the West Parish Baptist Church.

A high Mass of requiem was sung Monday morning at St. Anne's Church, Berlin.

He leaves his widow, Jeanne Blais Mercier, Berlin; two sons, Aime, Berlin, and M/Sgt. Wilfred U. S. Air Force, Wiesbaden, Germany; a daughter, Mrs. Therese Kruekenberg, Wichita Falls, Tex.; three brothers, Leo and Armand, both of Lewiston, and Ernest, Rumford; three sisters, Mrs. Adrien Dupuis and Mrs. Philip Dupuis, both of Racket Lake, N. Y., and Mrs. Rosaire Boiscclair, Biddeford; and 10 grandchildren.
